

Sign up for our FREE CPR Class!

This **FREE** community event follows the American Heart Association's Family & Friends® CPR Course.

Norman Regional Health System, Norman Public Schools and the Norman Regional Health Foundation are partnering together to bring free CPR classes to our community. We are pleased to support the American Heart Association (AHA) and its important goal of increasing survival from cardiac arrest. The Family & Friends® CPR Course teaches life-saving skills in a group environment using the AHA's research-proven technique.

NORMAN REGIONAL FOUNDATION
Health System
